

## September 2022

### July Community Drop-In Session

On Friday 22 and Saturday 23 July, we hosted the first community drop-in session in the Collie Ridge Hotel. Information posters and maps were displayed for the community to view and information booklets were available to take home

We thank community members who attended the community event and shared their feedback. If you couldn't make it along and would like to know more, please get in touch via our contact details below.

### Public Exhibition of Development Application

We submitted the Development Application for the proposed Collie Battery to the Shire of Collie on 5 September 2022. The application will be assessed over the next 90-days by the Shire of Collie and the Regional Joint Development Assessment Panel.

A 28-day public exhibition period for this application commenced on 07 September 2022. Information on how to make a submission is on the Shire of Collie website:

### Neoen Learning Hub

Our Learning Hub is an educational resource for teachers and kids in local schools. It's a website with curriculum-linked materials for Years 5-6 and another for Years 7-8, for learning about electricity and renewable energy. Developed by an experienced science curriculum writer, each module contains three topics each with a video, interactive activities and lesson plans.

We hope you find them useful!
